**POLICIES**

**This will be printed and signed by both new and returning students starting September 2022**

**Registration**

Registration of \$50 reserves your place in class and counts toward the session total. Payment must be received prior to the start of the session and is NOT refundable.

**Attendance:** It is our experience that consistency is key in building sewing skills. We encourage our students to attend all of the scheduled lessons and plan other events/activities around your class. Please arrive on time. Class time is very short, every minute counts.

Shoes must be worn at all times.

We also encourage those who are ill to please stay home. We share equipment, but don't want to share germs! A missed class may be made-up within one month of absence or tuition will be forfeited.

Please note: this is a change in our policy. We will no longer be able to "roll" the fees for absences into the next session.

**Payments:** A \$50 payment must be received BEFORE the session starts to secure your spot and is NOT refundable. This will be applied to your total tuition for the session. There will be no transfers to other sessions or for missed classes.

Payments can be made by:

Zelle: 301-233-9412

Personal Check: made to-- Artisan Sewing and Fashion Academy The returned check bank fees that we incur will be forwarded to you should this become necessary.

Cash: brought in to the studio
